A contribution was given
in your honor to
Christian Foundation for
Children and Aging.

The gift provides hope to families
living in poverty.

A *gift* in your honor ...
providing *hope* around
the world.

CFCA's Hope for a Family sponsorship program provides the support and opportunities people living in poverty need to improve their life situations and provide a better future for their children.

Grounded in the Gospel call to serve the poor, CFCA is a lay Catholic organization working with persons of all faith traditions to create a worldwide community of compassion and service.
