

A SPONSORED CHILD WRITES HIS SPONSOR

Archie is a boy who lives in the Philippines. In this video he writes to his sponsor in the United States, sharing his life and expressing his appreciation for his sponsor's support. Let Archie inspire your class as they write to their sponsored friend.

SUGGESTED USE

Show the video once with a simple introduction like, "We're going to watch a video about a little boy who's sponsored through Unbound, just like our sponsored friend, (Name)." After it's finished, lead a short discussion about what the class saw. Questions for discussion might include:

1. Where does Archie live? (Show them where the Philippines is located on a map or globe.)
2. What is his home like?
3. How does Archie get to school every day?
4. What's the weather like where he lives?
5. How is his life different from yours? How is it the same?

Then show the video again and ask the class to pay special attention to the things you discussed. When finished, ask if they noticed anything new.

Prayer

Loving God, thank you for letting us meet Archie and learn about his life. We know there are many boys and girls like Archie and our sponsored friend, (Name), in countries all around the world. In some ways their lives are different from ours, but in the most important things they are the same. They are our sisters and brothers and you are the Father of us all. We thank you for teaching us this through your Son, Jesus.
