

# UNBOUND WORD SEARCH

Have fun and learn about some of the most interesting places in the world with this find-a-word puzzle that features the various countries where Unbound works. Students can do the puzzle individually or work together in teams.

## SUGGESTED USE

This is another good rainy-day activity. It can either be used individually by students during quiet time, or you can make a game of it and see which student or team can find the most countries in a set amount of time. Afterwards, you can show where the various countries are on the map and reinforce how to pronounce them.

## Prayer

*Gracious God, you've created a big, wonderful world filled with exciting places and amazing people. May we always be joyful in seeing your wonders and the beauty of our Earth. We ask this in Jesus' name. Amen.*
